age, shall have three copies of the Semi-Weekly one year. \$2 will pay for six months. \$1 will always be charged for the Tri-Weekly, and 50 cents for the Weekly, during the Legislative sessions.

ADVERTISEMENTS will be inserted three times at one dollar a square of 8 lines, and be continued at the rate of 25 cents a square for each additional insertion. Quarterly advertisements, per square, \$3. All advertisements from abroad must be accompanied by the cash; or no attention will be paid to them. Or Postage must be paid.

CURIOUS ANECDOTES OF THE ANTIQUITY AND USE OF BEDS .- It was universally the practice in the first ages for mankind to sleep upon sities will always tell against him, and his inskins of beasts. It was originally the custom satiable desire to obtain money under false of the Greeks and the Romans. It was particularly the custom of the ancient Britons be- station, or, indeed, of any station but that were spread on the floor of their apartments. that his subjects would have kept him rather Afterwards they were changed for loose hard up for cash; and he often declared that rushes and heather, as the Welch a few years the Long Parliament reduced him repeatedly ago lay on the former, and the Highlanders to very short commons. Hume has endeavof Scotland sleep on the latter to the present ored to give Charles the reputation of being moment. In process of time, the Romans a man of "propriety and honor;" but it must suggested to the interior Britons the use, and have been the sort of honor said to prevail the introduction of agriculture supplied them among thieves, for when he could not get To the Stockholders in Marion County, with the means of the neater conveniency of money by honest means—which he seldom in the Terre Haute and Richmond straw beds. The beds of the Roman gentry could-he never scrupled to rob for it. In at this period were generally filled with person, Charles had a sweet but melancholy feathers, and those of the inns with soft down expression, a sort of agro dolce, which made next of reeds. But for many ages the beds of the his portrait not quite a Carlo dolce to look Italians had been constantly composed of upon. His features were regular, but he straw; it still formed those of the soldiers and was not vain; and he would often say or officers at the conquest of Lancashire; and think, "that he would not care about a regufrom both, our countrymen learned their use. lar nose or chain, so that he could make both But it appears to have been taken up only by ends meet by having a regular salary." He the gentlemen, as the common Welch had was an excellent horseman; but it is one their beds thinly stuffed with rushes as late thing to be skilful in the management of the as the conclusion of the twelfth century; bridle, and another to be adroit in holding Has established a branch of the celebrated MADISON MA and with the gentlemen it continued many the reins of power. His equestrian accom-

ter lie on chaff at present, as do likewise the position.—Comic History of England. common people all over Scotland; in the Highlands, heath also is very generally used | THE COURT OF LOVE.—The famous Court as bedding even by the gentry; and the re- of Love of which the beautiful Countess of pose on a heath bed has been celebrated by Champagne was the learned chief-we pretravellers as peculiar luxury, superior to that sume chief justice-and whose judgments, vielded by down; in France and Italy, straw | called "arrests d'amour," became so celebrabeds remain general to this day. But after ted, was composed of sixty ladies of rank, the above period, beds were no longer suffer- all members of the same learned and joyous ed to rest upon the ground. The better mode, profession. There is a case on record of an that had anciently prevailed in the east, and long before been introduced into Italy, was tionary, which came before the Queen of adopted in Britain; and they were now France. Counsel learned in the law was mounted on pedestals. This, however, was heard on both sides, but the result was, that equally confined to the gentlemen. The bed still continued on the floor among common with costs-her majesty exclaiming, with people. And the gross custom, that had prevailed from the beginning, was retained by the lower Britons to the last, and these ground of Champagne!" What a glorious profession beds were laid along the walls of their houses, was this, uniting in one the now rival branand formed one common dormitory for all the members of the family. The fashion continued universally among the inferior ranks a peacock's feather or a kiss (how numerous of the Welch within these four or five ages, in those pleasant times, more so, perhaps, and with the more uncivilized part of the Highlanders down to our own times. And of the junior bar.) We would willingly, even at no great distance from Manchester, although in the full tide of practice, exchange in the neighboring Buxton, and within these our existence now for professional employ-50 or 70 years, the persons that repaired to the bath, are all said to have slept in one long | willingly exchange the benign approval with chamber together; the upper part being allotted to the ladies, and the lower to the gentlemen, and only partitioned from each other by a curtain.

The dining or discubitory beds on which the ancients lay at meals were four or five Chancery here for a brief in that Court of feet high; 3 of these beds were ordinarily Love. ranged by a square table (whence both the table and the room where they eat were called triclinium) in such a manner, that one Bysshe Shelley, the poet, was born in Newark, of the sides of the table remained open and North America, in 1731, according to Capt. accessible to the waiters. Each bed would Medwin's recent memoir of the poet, noticed hold three or four, rarely five persons. These in the last North British Review. "He bebeds were unknown before the second Punic gan life as a quack doctor," went to England, war; the Romans, till then sat down to eat ran away with an heiress; after her death he on plain wooden benches, in imitation of the married Miss Sydney Perry, heiress to Pensheroes of Humor, or as Varro expresses it, hurst, the estate of Sir Philip Sydney; was after the manner of the Lacedemonians and raised to the baronetcy in 1806, and died in Cretans; Scipio Africanus first made an invo- 1815. We have heard it said that Tennycation; he had brought from Catharge some son, the author of the May Queen and other of these little beds called punicani, or archaica, being of a wood common enough, very

E Hedderly, Agent, For the sale of Richardson & Taylor's Ploughs.

600 PLOUGHS. The subscribers are now manufacturing the most splendid lot of Ploughs, right and leit handed, of the Peacock, Sloop, Diamond and Witherow Patterns, ever nade in this city. Having been engaged for several years in this business, they consider it almost needless to say | On Pork or Lard in keg, per keg, anything more than merely to let the people know that they have them On Flour or Meal, per barrel, on band and for sale. They are making a large lot of the Diamond, On all Foreign and Donestic Lighters, per barrel, 10 which in loose soil or stubble take the lead of any plough now in use. On all Foreign and domestic Liquors, per keg, . The Witherow, in sod or hard ground, cannot be beat. The Peacock and Sloop are too well known to need any praise, therefore they will only add, that their Ploughs are laid with the best of German steel. The timber was selected with great care, and is well seasoned; and they warrant them in all cases to be good, and to perform well. They therefore invite Farmers to give them a trial. For sale at E. Hedderly's, opposite C. Mayer's Grocery, Washington street, Indianspol s. 80 tf RICHARDSON & TAYLOR, Madison, In.

Kelsey's Alternating Bee Hive. T is no more than due to say, that wherever it has been fairly tried, it has obtained universal favor; and if bee culture has been made profitable in any of the various hives that have been used, the use of this hive will increase the profitableness two or threefold, and is a sure preventive against all depredations of the Bee Miller or Math Individual, tow ship or county rights in Morgan, Patnam, Hendricks, Vigo, Bartholomew, Lawrence, Jackson, Jen nines, Martin and Orange, or individual rights in Marion or Johnson counties, can be had of the subscriber. Individual rights a e sold at \$5; townships, from \$30 to \$50. Persons wishing to examine the hive, or any information respecting it, will please call at my store, or address T. R. CASE,
76 Opposite Frazier's Hotel, Indianapolis.
